

Dear Parents;

We at Tim McConnell Photography are excited to get to photograph the Premiere Dance Project dancers this year in their recital costumes. Our photography is presented online so you can see the image before you order, we call it view first. This process allows you to have total control over your finished dance images.

With this process, you will have control over cropping, black and white, color or sepia options as well as adding text and graphics to your images. Mix and match packages will also be available. (Any of these options above within a package).

The following steps will guide you through our photography process:

- Pre-Registration is available now. Please go to <https://bit.ly/38Da49J> to fill out the pre-registration form. This tells us who you are and allows us to send your dancer's photos to the correct email address(es). This form needs to be completed for each dancer.
- *Note: Link may not work in Firefox*

Easily access the link using an app that reads QRs.

On Snapchat, you can scan the code by holding your finger down on the screen (like you do for a lens) until the "Open Link" button pops up. Then click the blue link to go to the full site. There, you can enter your information into the fields.

- On June 8, 9, 10 & 11, 2020, Tim McConnell Photography will take individual and class photographs. Each dancer will be photographed in multiple poses. Make sure to have all of your costumes photographed to ensure you get the images that you want. There is no obligation to buy. You can make that decision later online while viewing your images.
- **Please Pre-Register by June 7, 2020**
- You will receive an **email link** to all of your pictures. Make sure to provide all email addresses you would like us to send a link to. This list might include: Mom, Dad, Grandma, Aunts, Uncles, family and friends.
- You will be able to complete your order by doing one of the following:
 - ✓ Complete your order online using the link that will be emailed to you. (most options, fastest delivery)
 - ✓ Complete your order by calling Tim McConnell Photography and placing your order over the phone.
- All orders will be mailed directly to your home.

I am looking forward to the photography session.
Please call if you have any questions.

P.S. Discount vouchers will be available on picture day, don't miss out!

Sincerely,
Tim McConnell Fine Photography
